## Application for Grants

The aim of Cheverell Magna Parish Council Grant Scheme is to promote community activity within the parish. By providing financial support for community organisations working for the benefit of residents, the Parish Council's intention is to improve the range of activities and services on offer to the villages.

Grants, up to a maximum of £250 can be awarded to new as well as existing organisations based within the Parish dependant on funds available in the Parish Council budget.

Each application will be considered on its merit and grants will not necessarily be available on an annual basis. There is a limited budget each year, and the total amounts requested usually exceed the total funds available. You will need to include accounts or, in the case of a new organisation, a budget. Details of what we need can be found at the end of the application form.
